Dear Benn,

This is the response of Hampton-in-Arden Parish Council to the above application.

The site is within the Green Belt and as such falls within Policy P17 - Countryside and Green Belt of the Solihull Local Plan 2013 which states *"The Council will not permit inappropriate development in the Green belt, except in very special circumstances."*

The applicant has provided no evidence relating to there being any very special circumstances to support this application and until this has been provided along with more detail the Parish Council requests that the application to be refused on the grounds of inappropriate development in the Green Belt.

Kind regards.
