Dear Planning,

PL/2021/00129/TPO 24 Belle Vue Terrace Hampton In Arden Solihull B92 OAR|

Fell 1 No. cedar tree (T1) as the root system is damaging the drive and footpath, the tree has 3 leaders that will require excessive works to mitigate the risk of failure, and this will reduce its amenity and aesthetic value.

The application does not include a professional Arboreal Assessment which we feel is necessary in this case. A number of issues have been brought to our attention which appear to conflict with the information currently available.

Until a professional Arboreal Assessment has been undertaken, the Parish Council request no decision is reached until said assessment has been received and considered.

We look forward to hearing from you.

Kind regards.
