Comments Details

Commenter Type:	Councillor
Stance:	Customer made comments neither objecting to or supporting the Planning Application

Reasons for comment:

Comments: The Parish Council have no objection to the tree being removed on the basis that it unsafe and or diseased . As no survey assessing the condition of the tree accompanied the application however, we suggest no decision be made until a full survey is undertaken confirming the actual condition and status of the tree. Should it be found to be disease free and safe we would support any proposal for it to be professionally pruned but not its removal.

Kind regards
